

ARTBLOCS

OUR GUARANTEE

Don't pay a single cent until you have received your Artbloc and are 100% happy. We also offer an unconditional refund policy if you are not delighted with our work. We will even pay the return postage!

No conditions.
No exceptions.
No small Print.

Is Australia's leading fine art printing company.

Artbloc prints are lighter than traditionally framed prints, making hanging and transportation much easier. They are not displayed behind glass, making them viewable in any light without distracting reflection. You can create collages, add text or artistic effects and can order any size you wish.

We use the best quality materials to create stunning colour prints and superb neutral black and white prints. Our trained staff can meet your printing needs

ArtBlocs are a cost effective way of displaying your prints. Artblocs are designed to last 3-5 years.

Your image is printed by us, laminated and mounted on a 20mm foam backing topped off with a stylish black or white side trim. This lightweight block mount comes ready to hang in a variety of sizes plus the freedom to customize your own size.

All our foam mounts include:

- A high quality foam base with a protective layer to prevent moisture reaching your print
- Printing using archival quality inks on professional gloss photographic papers
- A protective lustre laminate to protect your print against avoidable wear

We print everything in-house, allowing us complete control over every stage of the printing and framing process.
